

This is Jeremy Szafron, Founder & Host of the largest global cannabis industry podcast, The Green Scene Podcast.

I am a veteran journalist and a colleague of Pat Beechinor, Business Development Manager for TheNewsWire.com

I have worked with Pat and his colleagues for some time now, and I know him and his staff as a group of experienced, front-line reporters with plenty of real world newsroom experience— a huge benefit to their clients.

Based on their experience, TheNewswire has developed the most comprehensive and affordable distribution platform in the newswire/cannabis sector.

Pat and his team offer a free trial with zero obligation, and all I can say is give it a try.

Unlimited press releases for \$2500 per year is unheard of, think of what you can do with the savings in your marketing budget.

Sincerely yours,

Jeremy Szafron
