## Learn how your judge thinks, writes and rules.

Context on Lexis Advance® uncovers unprecedented insights you can use to craft your strongest brief.

FREE JUDGE REPORT

The screenshot shows the 'Context' interface for Judge William Alsup. It includes a navigation bar with 'Overview', 'Analytics', and 'Related Materials'. Below this, there are tabs for 'Motion Language' and 'Citation Patterns'. A 'FILTERS' button is visible. The main section is titled 'Frequently Cited' and features a horizontal bar chart showing the frequency of various cases cited by the judge. The 'Opinions' tab is selected.

| Case Name                     | Frequency (Relative) |
|-------------------------------|----------------------|
| Bell Atl. Corp. v. Twombly    | High                 |
| Ashcroft v. Iqbal             | Medium-High          |
| Balistreri v. Pacifica Pol... | Medium               |
| Anderson v. Liberty Lobb...   | Medium-Low           |
| West v. Atkins                | Low-Medium           |
| Erickson v. Pardus            | Low-Medium           |
| Williams v. Taylor            | Low                  |
| Stack v. McDaniel             | Low                  |
| Celotex Corp. v. Catrett      | Low                  |

Additional text on the right side of the screenshot: 'William Alsup citing Bell Most common language', 'Citing Bell Atl. Corp. T United States District To survive a motion to state a claim to relief t Twombly, 550 U.S. 544 A claim is plausible "w the court to draw the for the misconduct all More Like This', and 'Citing Twombly in Cas United States District'.
