

My name is Mike Stark and I am Chairman of *Canamex Gold Corp.* (CSQ:CSE) and *Arizona Silver Exploration Inc.* (AZS:TSX.V).

I have been a colleague of Pat Beechinor's and a client of TheNewswire for several years now and am very happy with the overall service and customer satisfaction TNW provides.

If you are a senior executive or investor relations manager for any company looking to save costs on press release distribution, you would be remiss to not give TheNewswire a try.

I have been very happy with his service as well as the staff.

Yours Truly,

Mike Stark, Chairman
Arizona Silver Exploration Inc.
